Averting the Apocalypse: Social Movements in India Today ... Bonner finds that India's inability or refusal to address its debilitating social structure may be the precursor to an apocalyptic social upheaval unless heed is paid to the social movements that his first-hand investigation reveals.

Averting the Apocalypse: Social Movements in India Today ... A view of Indian society is presented as one tarnished by decades of unequal social structure and the absence of a civil society and political mechanism capable of responding to exploitation of the poor and weak. It is a society on the verge of apocalyptic upheaval.

Duke University Press - Averting the Apocalypse Averting the Apocalypse is about everyone else. Arthur Bonner, a former New York Times reporter with long experience as a foreign correspondent in Asia, conducted interviews over many months while traveling almost 20,000 miles within India seeking out the underclass and social activists who together are beginning to mobilize for social change at the bottom of Indian society.

Averting the Apocalypse on Apple Books Averting the Apocalypse is not about "social movements in India today". Rather, it is about a particular subset of activists connected with them -- the educated upper-middle class, overwhelmingly upper-caste youth, who function normally with a vague Gandhian-socialist ideology and are involved with "grassroots" (mostly funded) organisations who work with sections of the poor and oppressed.

Whose apocalypse is it? - Down to Earth Averting the Apocalypse is about everyone else. Arthur Bonner, a former New York Times reporter with long experience as a foreign correspondent in Asia, conducted interviews over many months while traveling almost 20,000 miles within India seeking out the underclass and social activists who together are beginning to mobilize for social change at the bottom of Indian society.
