The ridgetop, which widens considerably at its northern end, has many public and private protected areas and is not heavily populated. Its only settlement of consequence is unincorporated Cragsmoor.In the past, the ridge was chiefly noted for mining and logging and a boom-era of huckleberry picking. Fires were regularly set to burn away the undergrowth and stimulate new growth of huckleberry ...

### Hudson River Painters

Hudson River Wordpress A leg was pulled out of the Hudson River yesterday after a jogger spotted it floating near the 79th Street Boat Basin around 12:30 p.m.. I shot the above video while biking past the spot around 3:00 as a medical examiner took it out of a red plastic bag surrounded by a 12-person crime unit. The leg appeared to have lesions.

The river originates in the Adirondack Mountains of Upstate New York, flows southward through the Hudson Valley to the Upper New York Bay between New York City and Jersey City. It eventually drains into the Atlantic Ocean at New York Harbor. The river serves as a political boundary between the states of New Jersey and New York at its southern end.

### Hudson River - Wikipedia

The excerpt is from Revolution on the Hudson – New York City and the Hudson River by George C. Daugban. Revolution on the Hudson is a modern history on the control of the Hudson River Valley. The book looks at the strategy, conflicts between leaders and politics during the war.

The Hudson River building contained the first telephone switchboard as we know it. It was soon staffed by young women operators who were courteous, attentive, didn’t swear and didn’t play pranks. The female operators worked 10 hours/day, 7 day per week.

### Hudson River Telephone – Friends of Albany History

Hudson River The Palisades Interstate Park in Bergen County New Jersey is around 12 miles long, a half-mile wide, and encompasses 2,500 acres of wild Hudson River shore-front, uplands, and cliffs. This is a great spot for any city dwellers, it’s so close to the city all you have to do is take the bridge to the other side to see these amazing views.
