Taking that big leap shouldn ' t come  
with a baggage of – what will people  
say, rather everything should be  
about you. The sheer joy lies in the  
journey more than the destination.  
Enjoy the process; the target won ' t  
seem too hard to conquer. 2.

I think we can all agree that our young adult years are some of the BEST years of our lives. Free from real responsibilities, this is our time to live life to its absolute fullest in every way, shape and form! I 've been lucky enough to do a lot of travel before turning 21, but there are SO many ways to make the most of these golden years that don 't have to involve leaving the country.
