Manthropology: The Science of the Inadequate Modern Male I wondered how many other stories about the extraordinary abilities of pre-modern men were true. I decided to find out, starting with that most male of characteristics: physical strength.

Manthropology: The Science of the Inadequate Modern Male
Featured in The Wall Street Journal and on ABC's Nightline, Manthropology is an entertaining and surprising look at manliness. Anthropologist Peter McAllister set out to prove once and for all that man today is the best man who has ever lived. But to his disappointment, in nearly every category he examined modern man was beaten by his ancestors.
