RTS Home - Reactive Training Systems

Mike Tuchscherer is the founder of Reactive Training Systems. He began Powerlifting in 1997 and has been studying athletic training ever since. He quickly became a State record holder in Indiana and Kentucky when he was still a Sophomore in High School.

About Us - Reactive Training Systems

by Mike Tuchscherer, 16 March 2020 With many gyms around the world now closing for the next several weeks due to COVID-19, we've had several of our lifters suddenly without a place to train. Over the last few years, I've often found myself on the road for various reasons also without a training facility — just making due with what I could carry in a suitcase and do in a hotel room.

Mike Tuchscherer Reactive Training Systems

Mike Tuchscherer's Reactive Training Systems offers a potential solution to the "readiness" problem by incorporating autoregulation via subjective indicators. The very foundation of RTS is the RPE scale. RPE stands for rate of perceived exertion and it is a very simple subjective measure: RPE tells you how hard something was.
