With Practical Swift you'll develop an advanced understanding of the language that will enable you to create a reference guide using Xcode Playgrounds, one you can continue to grow throughout your iOS career. This book not only shows you how to code in a clean and concise manner, but also the why behind the code.

Practical Swift | Eric Downey | Apress
Practical Motorhome was invited to Swift's East Yorkshire HQ to preview the newcomer. Our first impression upon entering the 696 was that the layout is ideal for families of five or six; in addition to the comfortable complement of two berths, the full dinette means that the 696 can accommodate four travellers in the rear, two facing forwards and two facing rearwards, all strapped in with three-point safety belts.
