Studies in Perception and Action: Tenth International ...

Since 1991, the edited book series Studies in Perception and Action has appeared in conjunction with the biennial International Conference of Perception and Action (ICPA). ICPA provides a forum for researchers and academics who share a common interest in ecological psychology to come together, present new research, and foster ideas towards the advancement of the field.

Studies in Perception and Action XII: Seventeenth ...

Studies in Perception and Action V thus offers the reader not just a cross-section of leading research at a given point in time, but a mini-history of ecological psychology and its development. In this regard it is already notable how many of the 'younger scientists' in the 1991 volume have become leading figures of the field today.
