A Short Analysis of T. S. Eliot's 'The Burial of the Dead' ...

I. THE BURIAL OF THE DEAD April is the cruellest month, breeding Lillacs out of the dead land, mixing Memory and desire, stirring Dull roots with spring rain. Winter kept us warm, covering Earth in forgetful snow, feeding A little life with dried tubers. Summer surprised us, coming over the Starnbergersee With a shower of rain; we stopped in the colonnade, And went on in

Interpretations of The Waste Land: The Burial of the Dead ...

Summary: The first section of *The Waste Land* takes its title from a line in the Anglican burial service. It is made up of four vignettes, each seemingly from the perspective of a different speaker. The first is an autobiographical snippet from the childhood of an aristocratic woman, in which she recalls sledding and claims that she is German, not Russian (this would be important if the woman is meant to be a member of the recently defeated Austrian imperial family).

The Waste Land Section I: "The Burial of the Dead"

¶ The Burial. The Burial may precede the Service in Church and the Prayers. When they come to the grave, while the body is made ready to be laid into the earth, the minister shall say, or the minister and clerks shall sing these anthems. Man that is born of a woman hath but a short time to live, and is full of misery.

T.S. Eliot - The Waste Land Section I: The Burial of The Dead

Having asked for something akin to eternal life, she finds that what she most wants is death. Death alone offers escape; death alone promises the end, and therefore a new beginning. Thus does Eliot begin his magisterial poem, labeling his first section "The Burial of the Dead," a title pulled from the Anglican Book of Common Prayer. He has been careful to lay out his central theme before the first stanza has even begun: death and life are easily blurred; from death can spring life, and ...
