It's rare that I find a unique and superbly crafted paranormal romance and The Soul Trapper doesn't disappoint. I'm a HUGE fan of both The Phantom of the Opera and The Picture of Dorian Gray. Calin takes the reader to another level with this plot line and I was both intrigued and fascinated, hooked from the start and couldn't put the book down.

Some of the side characters were quirky and interesting but the two main characters, Saphira and The Marquis a.k.a Kieran were sizzling Hot! Loved the premise of the story with all of its twists and turns. All in all, a great read and I would highly recommend The Soul Trapper by Ana Calin to anyone who loves a great Gothic Romance.
